REVISED EDITION OF THE DIVINE LITURGY...is being introduced. **We ask that you please LISTEN CAREFULLY TO THE CANTOR!** In addition to changes in the translation, there have been changes to almost all of the music! This means learning everything anew. As we introduce these changes, it will take time, lots of patience, and the ability to listen, in order to learn them, so let's all try to work together so that we may praise God and "make a joyful noise unto the Lord!"

There is NO kneeling during the Divine Liturgy, people are to sit or stand.
