Coming Late for Divine Liturgy

What is lost by arriving late for Divine Liturgy and leaving early?
 Participation in the Divine Liturgy requires attentive listening to the word of God. The Divine Liturgy, after all, is not like a football game with two parts interrupted by a half-time show (the homily). Rather, the Divine Liturgy is a single act of worship. By listening to the revealed Word of God in Scripture and by reflecting on its meaning for our lives, we are prepared to enter, heart and soul, into Christ’s glorious resurrection. We are prepared to experience, all over again, the depth of His love for us and for the whole Church to whom His love unites us. ~Bishop William E. Lori
